Innovate Award Submission Information Form

Instructions for team: Please fill out all information, printing clearly. This form should be included either behind the front cover, or in a clearly marked section in your Engineering Notebook. Teams may only submit **one** aspect of their design to be considered for this award at each event. Submission of multiple aspects will nullify the team's consideration for this award.

Full Team Number: _____

Brief description of the novel aspect of the team's design:

Identify the page numbers and/or the section(s) where documentation of the development of this aspect can be found:

Explain why your submission is unique from other approaches to the problem it solves or task it performs:
