Should we require all Worlds qualifying events to use the Digital Engineering Notebook submission process?

65 responses

What are your thoughts on converting this Summit to more of a conference style event for both Coaches and EPs?

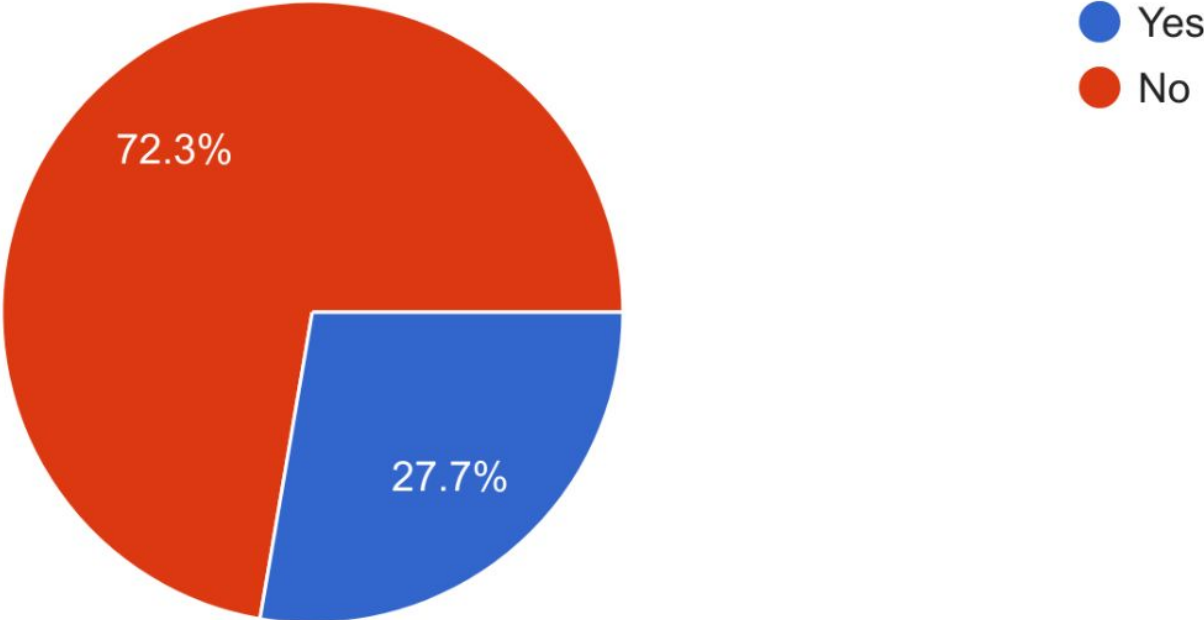

65 responses

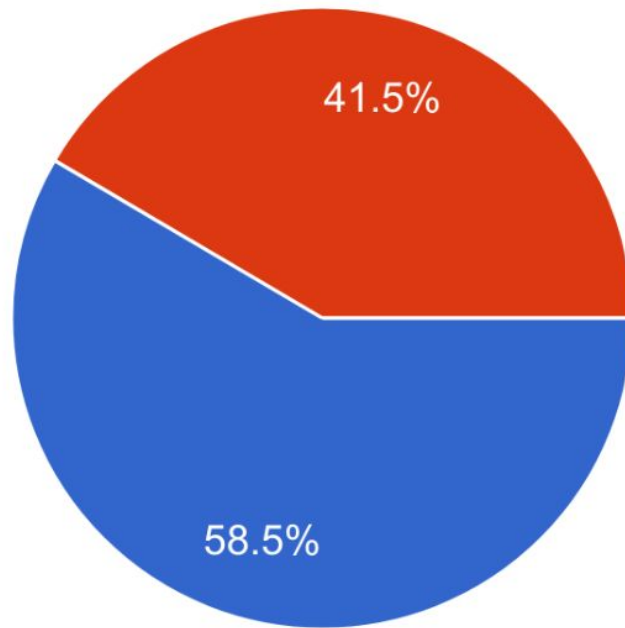

- I like that idea
- I would prefer a separate Summit for EPs
- Unsure/Indifferent

Should we require all Worlds qualifying events to use the Remote Judging process?

Data from teams indicates Worlds spots are not the number one reason why teams attend a Signature Event. The majority attend for the experi...ual event regions. Knowing that, would you rather:
65 responses

- Cap the number of Signature Events per program/age but keep the 3 Worlds spots?
- Reduce the Worlds spot to only 1 (Excellence Award) for each Signature Event but encourage more Signature Events

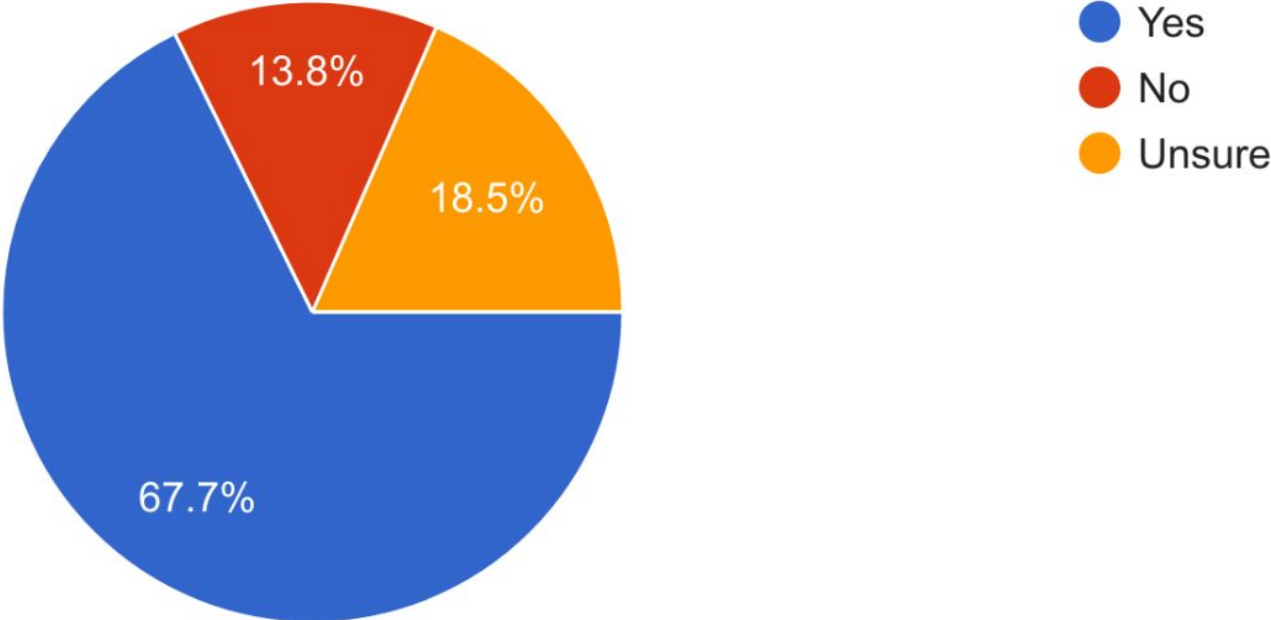

Should the US , or any country that is split into smaller event regions, have a National Championship that qualifies for VEX Worlds?

65 responses

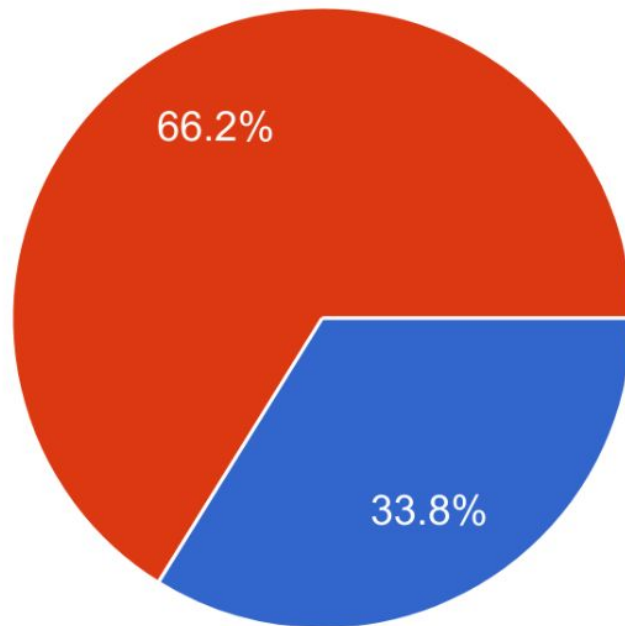

Should the RECF consider a Fall and Winter event posting deadline system? (Ex. all events before January 1 must be posted by X date and all events after January 1 must be posted by Y date)

65 responses

When considering future region splits, should event regions:

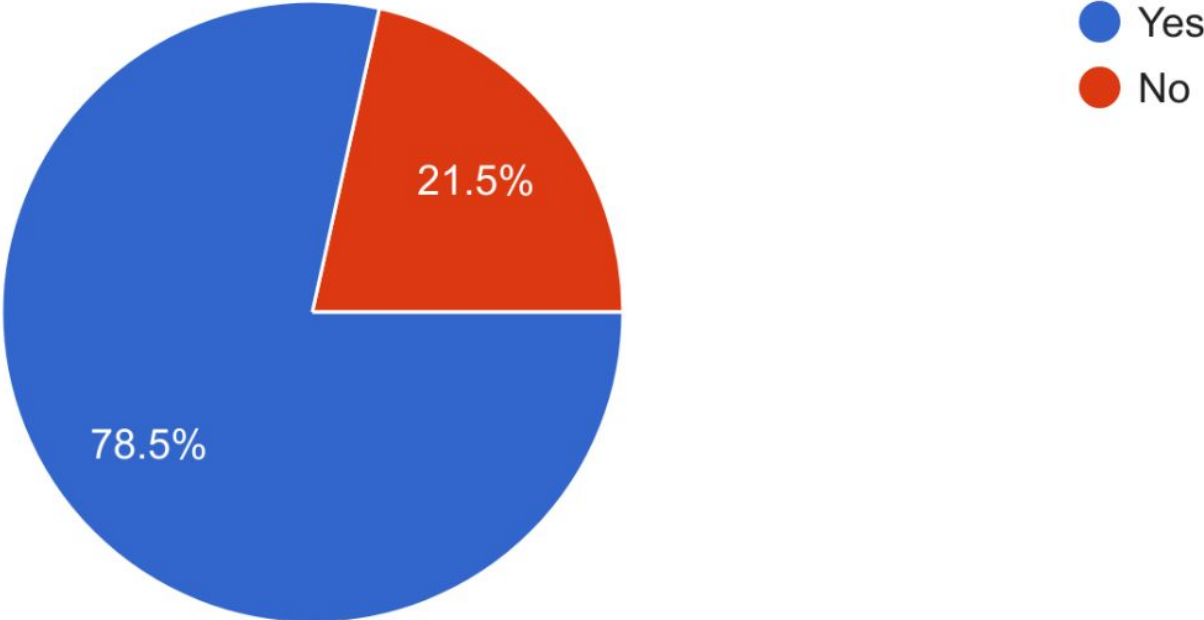

65 responses

- Be split the same across programs (ex. X state would have a Region 1 and Region 2 for both VIQRC and V5RC)
- Decision should be program specific (ex. X state could have a Region 1 and Region 2 for VIQRC but no separate regions for V5RC)

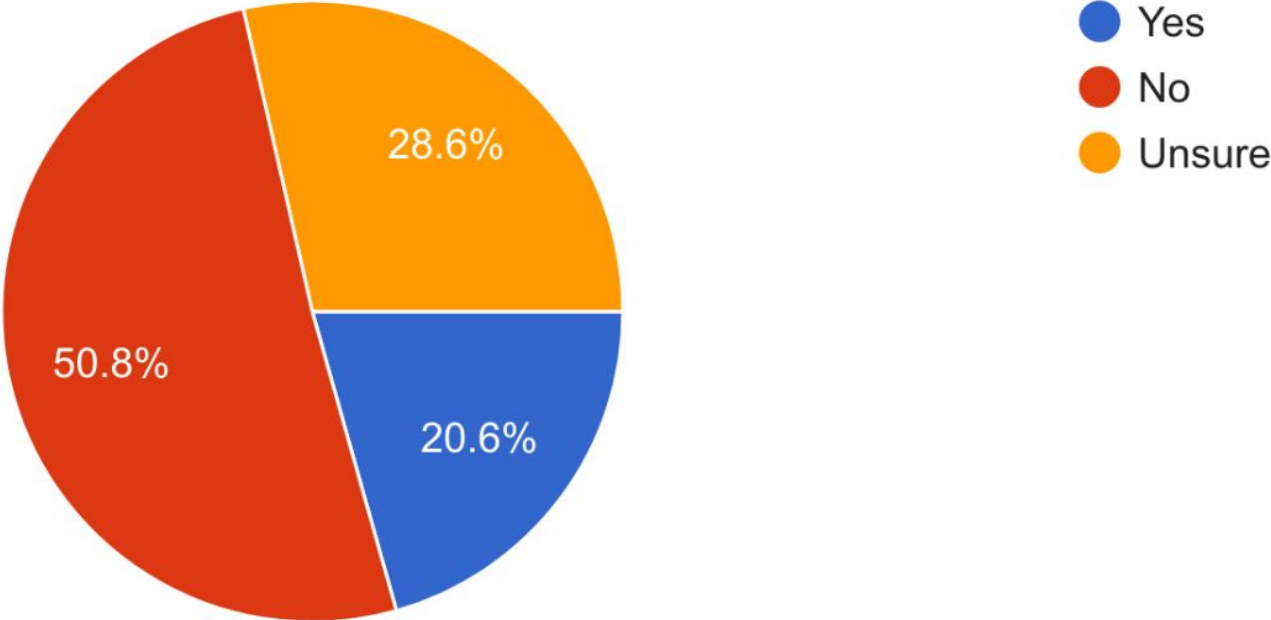

Should RECF approve of Head Referees and Judged Advisors used for Event Region Championships and Signature Events?

VEX IQ Robotics Competition Specific: Would you prefer to end each day at VEX Worlds earlier if that meant fewer matches?

63 responses

VEX IQ Robotics Competition Specific: Would not allowing fields in pits at VEX Worlds help reduce non-student centered behavior?

63 responses

- Yes-it would help reduce non-student centered behavior
- No-it wouldn't have an impact
- Unsure

VEX V5 Robotics Competition Specific: If the VEX Robotics World Championships returned to a 4 day event after 2025, what would you see as most valuable to the overall experience?
