About Us

We are a reliable nonprofit that offers educators and students unlimited STEM opportunities.

The Robotics Education & Competition (REC) Foundation's global mission is to provide every educator with competition, education, and workforce readiness programs to increase student engagement in science, technology, engineering, math, and computer science.

Vision

We are committed to engaging every student in their pursuit of excellence.

We see a future where every student designs and innovates as part of a team, overcomes failure, perseveres, and emerges confident in their ability to meet global challenges.
