

JUDGE NAME / JUDGE GROUP: \_\_\_\_\_

Check the boxes below to indicate teams that are strong candidates for awards. Use multiple checkmarks to help indicate the strength of recommendations.

All judge groups will cross-reference their lists to create a final award nominee list. The blank columns can be used to indicate any additional awards being given at the event. The blank cell below each award name can be used to record the award description. If additional awards are being judged, a second sheet should be used.

| Team Number | All-Around<br>Champion | Communications<br>Award | Coding<br>Award | Airmanship<br>Award | Judges<br>Award |  |  |
|-------------|------------------------|-------------------------|-----------------|---------------------|-----------------|--|--|
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |
|             |                        |                         |                 |                     |                 |  |  |

All judging materials are strictly confidential. They must not be shared beyond the judges and judge advisor and shall be destroyed at the end of the event.
